Summary

I'm an experienced Front End Developer with 3 years of experience in web development and a background in Interaction Design and Web Animation. Strive to incorporate my skills into the development of innovative, visually appealing, pixel-perfect, and animated web apps, components, and experiences.

Skilled in JavaScript Vanilla, React.js, Vue.js, Vuex, Redux, TypeScript, Storybook, CSS and CSS Animation, SCSS, GSAP GreenSock, MongoDB, Interaction Design, 2D and 3D Animation, Figma, Adobe After Effects.

Experience

2020 - 2023

Front End Developer   Namogoo, Herzliya
- Worked with a team to develop the front end for a new web application
- Collaborated with product managers, UX/UI designers, and back-end developers to create user-friendly, pixel-perfect web applications.
- Developed well-designed and animated web components and special experiences for Namogoo's various products using Vue.js, Vuex, CSS and CSS Animation, GSAP GreenSock, SCSS, Vanilla JavaScript, Vuetify, Lottie files, Adobe After Effects, Figma, and more.

Front End Developer & Interaction Designer
- Provided E2E solutions from product and interaction design to the development of front-end interactions and animations across all Namogoo's web apps

2019 - 2020

Front End Developer & Interaction Designer   Freelance
- Based on my knowledge of JavaScript and motion design, I have developed a variety of interactive interfaces, interactions, and micro-interactions

2018 - 2020

Interaction Design & Animation Lecturer   ORT Colleges, Jerusalem
- Lecturing interaction design & animation course for year B students in college
- Guiding students with their final projects through the entire design process: project capacity and time planning, design steps, execution of design and animation solutions

2015 - 2017

2D\3D Animator, Motion Designer   Films for A Change, Tel Aviv
- Created motion design pieces for companies and organizations to convey their message using strong communication design skills to create impactful content

Education

2020 - 2021

Front-End Engineer, Codecademy
Includes HTML, CSS, JavaScript, React.js, Redux, Vue.js, Vuex, Single Page Web Apps, Data Structures and Algorithms, Git and GitHub, Accessibility

2016 - 2020

Bezalel Academy of Art and Design
Bachelor's degree, Design and Visual Communications, General

2018 - 2020
